

THE AFRICAN AMERICAN EXPERIENCE

THE AMERICAN MOSAIC

The African American Experience brings voice and context to the lived experiences of African Americans in U.S. history. Expertly curated primary and secondary sources illustrate diverse threads of African American social, political, and cultural history.

CONTENT HIGHLIGHTS

- More than 8,000 articles, biographies, primary source documents, and media entries illustrating the experiences of African Americans in distinct historical eras
- Diverse coverage of African American contributions in the fields of politics, business, social and applied sciences, arts and entertainment, and social activism
- Live updates and continuous coverage of 21st century events and issues shaping the modern African American experience
- Student activities and historical commentary guiding sensitive investigations of key events, from Reconstruction to civil rights and modern social justice movements

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Demographic tool allowing for the tracking and comparison of state-level data on population, education, income, voting trends, health indicators, and more
