

THE AMERICAN INDIAN EXPERIENCE

THE AMERICAN MOSAIC

Centering American Indian voices and perspectives, *The American Indian Experience* engages students with the historical experiences and contemporary practices of more than 150 Native American tribes across North America.

CONTENT HIGHLIGHTS

- Dedicated investigations of time periods, from Indigenous American civilizations to modern native nations, prepare students to deepen their understanding of multiple dimensions of American Indian history and culture
- More than 2,000 primary sources including photographs, speeches, letters, maps, treaties, and cultural documents
- Student activities allowing for sensitive investigations of key questions, historical controversies, and contemporary issues affecting Indigenous communities
- Full coverage of current events and issues defining the modern American Indian experience including tribal sovereignty, land rights, cultural appropriation, and representation in politics and media

FEATURES

- Designed for accessibility and differentiation with translation, text-to-speech, and audiovisual resources
- Embedded search, save, and citation tools for effective student research
- Demographic tool allowing for the tracking and comparison of state-level data on population, education, income, voting trends, health indicators, and more
