

Canadian Reference Centre

Enhance your research experience

Canadian Reference Centre is a user-friendly research database available through our library. It contains a vast collection of reliable information resources covering a wide variety of subject areas including science and technology, history, literature and the arts.

Content includes:

- Complete articles from hundreds of magazines, including popular regional publications such as *Canadian Geographic*, *Maclean's*, *L'actualité* and *Chatelaine*, as well as top international magazines such as *TIME*, *Consumer Reports*, *People* and *Sports Illustrated*
- Regional and international newspapers
- Canadian Press newswires
- Radio and television news transcripts from the CBC
- More than 2 million images, including thousands from the Canadian Press

Using Canadian Reference Centre, you can:

- ✓ Find articles, news and images using a single search box
- ✓ Pinpoint relevant results using source type and subject limiters
- ✓ Save content to Google Drive or Microsoft OneDrive
- ✓ Use the citation tool to help you format bibliographic references
- ✓ Hear HTML articles read aloud using Text-to-Speech
