

Primary Online Package™

Help students and educators achieve success with EBSCO's *Primary Online Package*, the most complete collection of full-text reference resources for elementary schools.

Available via EBSCOhost® or Explora™, EBSCO's colorful and easy-to-use school interface, these four databases are designed to support student learning and classroom instruction.

Primary Online Package includes the following databases:

For Students

Primary Search®

Designed for elementary school libraries, this database contains full text for more than 100 of the most popular children's magazines, including *Cricket*, *Cobblestone*, *Junior Scholastic*, *TIME for Kids* and *Highlights*. Students can learn about a variety of topics, such as endangered species, famous musicians, fitness, space exploration and more. The database also includes more than 2 million images of relevant photos, maps and flags to aid kids in learning.

Newspaper Source™

Newspapers contain excellent primary- and secondary-source content. *Newspaper Source* provides cover-to-cover full text for more than 200 national (U.S.) and international newspapers as well as full text for more than 310 regional (U.S.) newspapers. In addition, full-text television and radio news transcripts are provided by CBS News, CNN, CNN International, Fox News and NPR.

For Educators

Professional Development Collection™

This highly specialized collection is designed especially for professional educators, professional librarians and education researchers. It includes indexing and abstracts for more than 750 journals, more than 450 full-text journals, and more than 220 educational reports.

ERIC®

The *Education Resource Information Center* (ERIC) provides access to educational literature and resources. The database contains more than 1.6 million records, links to hundreds of thousands of full-text documents, and includes an education-specific thesaurus.
