# School Curriculum Support

You work hard to give students the **skills they need for success** throughout their lives. Help your **library work smarter** by offering resources that support student research, curriculum delivery and information literacy instruction.

# School Curriculum Support

Our full-text databases provide unique, reliable content to support learning across subject areas. These databases include reference books, magazines, newspapers, primary source documents, images, videos and more.

**Advanced Placement Source**

**Biography Reference Bank**

**Complete Online Package**

**History Reference Center**

**Literary Reference Center Plus**

**Middle Online Package**

**Poetry & Short Story Reference Center**

**Points of View Reference Center**

**Primary Online Package**

**Science Reference Center**

Additional resources include:

**ABC-CLIO Databases**

**AP Newsroom**

**EBSCO eBooks**

**Fiero Code**

**Flipster Digital Magazines**

**PrepSTEP for High Schools**

**Lesson plans** integrating EBSCO content are available for free download.

# Access to Library Resources

The world of knowledge is vast. **Remove barriers** to access and simplify the **discovery of reliable digital resources** to create happier, less-frustrated students.

# Access to Library Resources

EBSCO offers user-friendly interfaces that streamline access to school learning resources and help students organize their research (Google Drive integration), cite sources (export to NoodleTools) and more. An updated EBSCO Mobile app is also available.

## Intuitive Interfaces

**Explora** is our dedicated search experience for schools and is designed to support novice researchers.

**EBSCO Discovery Service** brings together all your library resources, including the catalog, in one simple search.

**EBSCOed Portals** aggregate and streamline access to all educational digital resources in a single experience with one account for each user.

**Stacks Library Websites** is a top-notch content management system that empowers you to create and manage your school library's digital presence.

## Authentication and Single Sign-On (SSO)

**Clever SSO**

**Google Sign In**

**OpenAthens Authentication Services**

Learn more about the **authentication methods** and **LTI integrations** available for EBSCO interfaces.

“ [Stacks provides] a one-stop shop where the entire school community can browse and search for all of their e-books, research needs and entertainment.

Tammy Garron,  
*Essex North Shore Agricultural  
and Technical School*

# School Library Collection

Your time — like your collection — is valuable. **Maximize** both with tools that **streamline your workflow**, whether you are selecting materials, recommending books or weeding.

# School Library Collection

Our expert librarians curate top fiction and nonfiction to help you build and circulate materials that support student learning, classroom instruction and extra-curricular interests.

**NoveList Plus** and **NoveList K-8 Plus** are databases of reading recommendations that help librarians connect readers to books they'll enjoy.

**Core Collections** give impartial, authoritative guidance for building and maintaining well-rounded collections.

- Children's Core Collection
- Middle & Junior High Core Collection
- Senior High Core Collection
- Graphic Novels Core Collection
- Core Collection en Español

**EBSCOhost Collection Manager (ECM)** is an easy-to-use tool for building and managing your EBSCO eBooks as well as your Flipster magazine subscriptions.

**EBSCONET Subscription Management** provides convenient online access to pricing, access options and other important details for thousands of individual titles, e-journals and e-journal packages.

“ NoveList K-8 Plus is perhaps the best readers' advisory database available for students in elementary through junior high school.

Shonda Brisco,  
*School Library Journal*

# Early Literacy Initiatives

Libraries are often the first stop for parents and teachers **nurturing a child's curiosity** and **love of reading**. A strong library collection supports early literacy instruction and helps children develop the reading, writing and speaking skills they'll need to be successful in school.

## Early Literacy Initiatives

Ensure your library collection offers books and magazines that engage and inspire your youngest readers, and databases that support the information needs of budding researchers.

**NoveList K-8 Plus** is a database of reading recommendations that help librarians connect readers to books they'll enjoy.

**Core Collections** give impartial, authoritative guidance for building and maintaining well-rounded collections.

**EBSCO eBooks Cricket Media Subscription Collection** provides digital access to award-winning, short-form fiction and nonfiction.

**Flipster** offers digital access to dozens of children's magazines covering a wide range of subjects. Supplementary teacher guides are available for Cricket Media magazines.

**Primary Search** is a full-text database containing articles from popular children's magazines, e-books and easy-to-read encyclopedic entries written specifically for kids.

“ Flipster is one of my very favorite resources to share with our students!

2022 Modern Library Awards Judge

# Diversity, Equity and Inclusion

Enhance research and reading experiences **for all students** by making sure they can see themselves (and the world around them) represented in your library collection and by including materials that **meet their specialized learning needs.**

# Diversity, Equity and Inclusion

EBSCO offers full-text databases, e-books and archive collections that bring awareness and perspective to research and enhance the research experience for all users.

“ In diversity there is beauty  
and there is strength.

Maya Angelou

# Creating and Innovating

Whether students are learning in the classroom or tinkering in the school makerspace, you aim to provide them with digital tools that **enable the creation** and **sharing of knowledge**.

“ It’s exciting to see kids use coding to express themselves in different ways.

Jesse Simms, Technology Specialist  
*Buckeye Public Library (AZ)*

## Creating & Innovating

EBSCO offers databases, digital magazines and self-paced e-learning tools to enhance STEAM instruction and encourage students to create, experiment, build and invent.

**Hobbies & Crafts Source** includes full text for leading hobby and craft magazines, detailed “how-to” instructions and creative project ideas.

**Entrepreneurial Mindset Training Course** enables young people to learn the underlying beliefs and behaviors that can help them achieve their personal, educational and career-related goals.

**Flipster** offers digital access to a variety of magazines that will appeal to student crafters, creators, collectors and more.

**Fiero Code** is a learn-to-code software program for ages 8-18. The platform includes gamified instruction in Scratch, HTML, CSS, JavaScript, Python and SQL programming languages. Fiero Code supports self-directed learning and also empowers educators to facilitate before- and after-school coding clubs.

# College and Career Readiness

School libraries **prepare students** for life after high school. Equip your library with resources to help them **achieve personal and professional success**, whether they choose to enter the workforce, the military, a two- or four-year college, or a technical/vocational program.

# College and Career Readiness

EBSCO offers tools to help students improve their academic skills, explore and prepare for colleges and careers, use popular software applications, build their financial literacy skills, and learn programming languages.

**LearningExpress PrepSTEP for High Schools**

**LearningExpress Job & Career Accelerator**

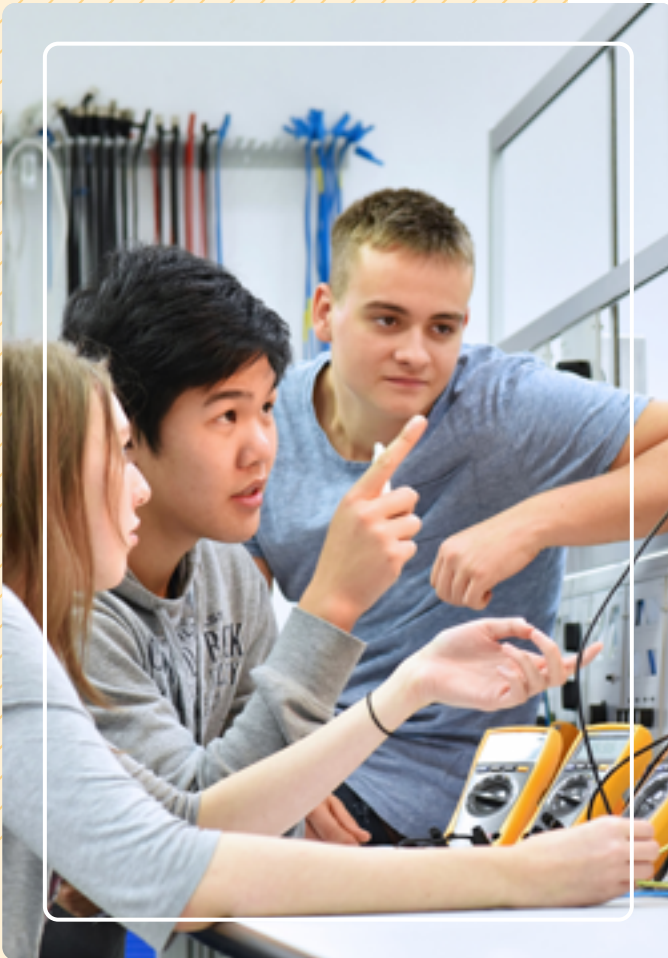

**LearningExpress Computer Skills**

**Entrepreneurial Mindset Training Course**

**Fiero Code**

**FinancialFit**

**Vocational & Career Collection**

“ PrepSTEP’s practice tests helped students improve their ACT scores. PrepSTEP was easy to integrate into our library programs, and the students love it.”

Modern Library Awards Judge

# Professional Development and Research

You have a lot to keep track of on your calendar, desk and shelves. Professional tools you can **access on your schedule** will keep you, your library and your faculty **ahead of the curve.**

# Professional Development and Research

Keep up to date on the latest topics and trends in education and libraries using full-text databases, digital magazines and on-demand training from EBSCO.
