

# Key Topics for School Librarians

In a recent survey, we asked school librarians to identify which topics were of most interest to them in relation to their library's needs. Here's a look at the topics they identified and how they rank:

EBSCO can help you overcome your library's biggest challenges. Visit [www.ebsco.com](http://www.ebsco.com) for more information about our products and services, or contact your EBSCO Sales Representative at (800) 653-2726.
