Today, EBSCO Industries, is a diverse conglomerate with 40+ businesses and over $2.5 billion in annual revenues. We employee 6,000 people and serve customers in more than 200 countries.

EBSCO maintains a Dun & Bradstreet financial strength rating of 5A1 — the highest awarded — which underscores the importance we place on providing outstanding service.

EBSCO Information Services is the largest division of EBSCO Industries, Inc., one of the largest privately held and family-owned companies in the United States. Starting out as a small subscription agency, EBSCO is now the largest information intermediary in the world.

EBSCO is consistently ranked in the top 200 of the nation’s largest privately held corporations according to Forbes magazine.

EBSCO has only had five CEOs in 70+ years of business, each with more than 30 years’ experience in the information industry. The average tenure for the EBSCO Information Services Executive Leadership Team is 23 years.

EBSCO has been named by EContent magazine as one of the “100 Companies that Matter Most” for more than a decade. To enhance industry expertise, EBSCO employs librarians, technology, curriculum, and subject matter specialists, publisher experts, user researchers and health care providers.
