- 11 **Access the Evidence** Link directly to the original evidence
- 12 **Provide Feedback** We want to hear from you to help improve *Dynamic Health*. Let us know about bugs, additional content needs and more.

This screenshot shows the search results for 'asthma' on the DynamicHealth platform. The top navigation bar includes 'Diseases & Conditions', 'Signs & Symptoms', 'Tests & Labs', 'Care Interventions', 'Skills', and 'Drug Guide'. The search bar contains 'asthma'. Below the navigation, the search results are displayed under the heading 'asthma'. A 'RESULTS (315)' section includes filters for 'VIDEOS' and 'IMAGES'. The 'Narrow Results' section lists content types (Care Interventions, Diseases & Conditions, Signs & Symptoms, Skills, Tests & Labs) and patient populations (Adult, Pediatric). Three results are shown: 'Asthma, Adolescent', 'Asthma, Adult', and 'Asthma, Child'. A callout box labeled '8' highlights the 'IMAGES' filter, which is expanded to show three diagrams of airways: 'Normal airway', 'Asthmatic airway', and 'Asthmatic airway during attack'. A callout box labeled '9' highlights the 'VIDEOS' filter, which is expanded to show a video thumbnail.

This screenshot shows the topic page for 'Asthma, Adolescent' on the DynamicHealth platform. The top navigation bar is the same as the search results page. The search bar contains 'asthma'. Below the navigation, the topic page is displayed under the heading 'Asthma, Adolescent'. A 'CONTENT' section includes links for 'IMAGES (3)' and 'ABOUT'. A 'Description' section provides a definition of asthma and discusses effective management. A 'Red Flags' section lists signs of impending respiratory failure. An 'Incidence/Prevalence' section discusses the prevalence of asthma in pediatric patients. A callout box labeled '8' highlights the 'IMAGES' filter, which is expanded to show three diagrams of airways: 'Normal airway', 'Asthmatic airway', and 'Asthmatic airway during attack'. A callout box labeled '10' highlights the 'CONTENT' section, which is expanded to show a table of contents with links for 'Description', 'Red Flags', 'Incidence/Prevalence', 'Etiology/Pathophysiology', 'Risk Factors', 'Prevention', 'Signs/Symptoms', 'Potential Complications', 'Diagnosis', 'Treatment Considerations', and 'References'. A callout box labeled '11' highlights the 'References' link. A callout box labeled '12' highlights the 'Feedback' button at the bottom right of the page.
