Features & Functionality At-A-Glance

- 1 Current Search Criteria: Quickly view your current search selections and update your search results by removing selected items.
- 2 Limiters: Refine a search without navigating away from the results page.
- **3** Filters: Filter search results by type of resource, related subjects, publisher or publication and more.
- 4 Search History: View and combine past search terms and set up alerts to be notified of new articles.
- 5 Research Starters: Available for the most popular topics, Research Starters provides quick access to an overview article and links users to related information and detailed bibliographies.
- 6 Create a My EBSCOhost Account: Create a personal account to store your favorite articles to a personal folder, and set your user preferences.
- 7 Sort Results: Sort results by relevance, date, author or source.
- 8 Share: View alerting, linking and bookmarking options from this menu.
- 9 Related Images: Preview thumbnail images from fulltext articles and EBSCO's Image Collection.
- **Preview and Add to Folder:** Click on icons to preview or add a record to your folder without leaving the results page.
- 11 Updated Library Catalog Information: When enabled by a library, updated information for locating library materials is available on the search results.

Viewing the Detailed Record

- Full Text Links: The complete article is available in HTML, PDF or both. When full text is not available an option to check your library's collection may appear.
- 2 **Subject Terms:** Click a subject term for a new list of results.
- **Tools Menu:** The tools menu allows you to print, email, save, cite or export a single result.
