

CERTIFICATE OF REGISTRATION

Information Security Management System - ISO/IEC 27001:2013

The Certification Body of Schellman & Company, LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013

EBSCO Information Services (EIS)

EBSCO Industries, Inc.

for the following scope of registration

The scope of the ISO/IEC 27001:2013 certification is limited to the information security management system (ISMS) that governs all client data under the control or ownership of EBSCO EIS (EBSCO Information Services) and that resides in its in-scope facilities. The scope of the ISMS includes the assets, technologies, and processes employed by EBSCO EIS within its facilities for processing, management, and delivery of its product to its customers, and in accordance with the statement of applicability, version 1.4, dated June 4, 2021. The services within scope of the ISMS are included on page 2.

which includes the following in-scope location(s) on page 3 of 3
