

Add **EBSCO resources** to Schoology course modules!

(coming soon)

EBSCO's free LTI v1.3-certified faculty apps* enable teachers to search for EBSCO content and embed links to full-text, all from within their learning management system (LMS). EBSCO's faculty app for the Schoology LMS will be released in **June 2022**.

* EBSCO faculty apps are already available for Canvas, Blackboard, Moodle and Desire2Learn (D2L)

Ask your EBSCO Sales Representative for more information.

Integration Benefits

- ✓ Increase use of valuable library research content
- ✓ Support remote and blended learning models
- ✓ Help teachers save time identifying curriculum-aligned resources
- ✓ Improve student engagement
