Subscription Collections:

When budgets are lean and your organization needs a large number of high-quality e-books on specific subjects, *EBSCO eBook* subscriptions are a great solution. These highly curated collections vary in quantity based on topic and offer unlimited user access.

BusinessCore Collection

This e-book collection of more than 9,900 e-books helps busy professionals increase their expertise across all disciplines of business, including leadership, sales and marketing, human resources, finance and project management.

EngineeringCore Collection

Professionals can broaden their engineering industry knowledge to support future decision-making and facilitate product design with this focused collection of more than 6,400 e-books.

ITCore Collection

This collection contains more than 3,600 e-books covering key subject areas in IT, including content management, desktop and office applications, enterprise computing, graphic design and multimedia, internet and web development, programming languages, telecommunications and more.

Sage Subscription Collections

In Collaboration with Sage Publishing, libraries can subscribe to four unique collections of e-books through EBSCO that offer options for students looking for textbooks alternatives, quick reads covering essentials topics and unrestricted access to essential nursing textbooks.

Featured Collections:

When the demand for access to a large quantity of e-books across a wide-range of topics is high, a perpetual collection is a smart choice. These sizeable e-book collections are suitable for organizations looking to select from and own hundreds of e-book options in a variety of categories.

Current Affairs for Embassies

More than 75 frontlist titles related to the subjects covered on the Department of State's IIP Digital website. Subjects include democracy, peace-building, American life and citizenship, current technological innovations and endeavors, and foreign policy.

DRM-Free Collections

Browse dozens of compilations of e-books that are free of access restrictions.

International Security and Counter-Terrorism Reference Center (ISCTRC) Companion

This e-book collection is a perfect companion for subscribers of the leading ISCTRC database on EBSCOhost. It features more than 200 frontlist titles directly related to the various security and defense subjects.

Military Personnel and Families

This e-book collection features more than 600 titles related to military and aimed at both soldiers and their spouses and children, with subjects including deployment, reintegration, transition assistance, PTSD, education, money management and many other related topics.

Subject Sets:

With thousands of best-of and bestsellers lists available, it can be hard to select e-books that meet the needs of your entire organization in a timely fashion. Subject sets offer reputable collections that can be quickly viewed, easily purchased and accessible to employees in minutes while assuring quality coverage of important subject areas.
