

Light the spark of learning with **explora**[™]

An EBSCO Experience

Looking for a fun and exciting way to explore these topics?

Animals
Geography **Art & Music**
History & Social Studies
Math **Language Arts**
Science & Health

You've come to the right place!

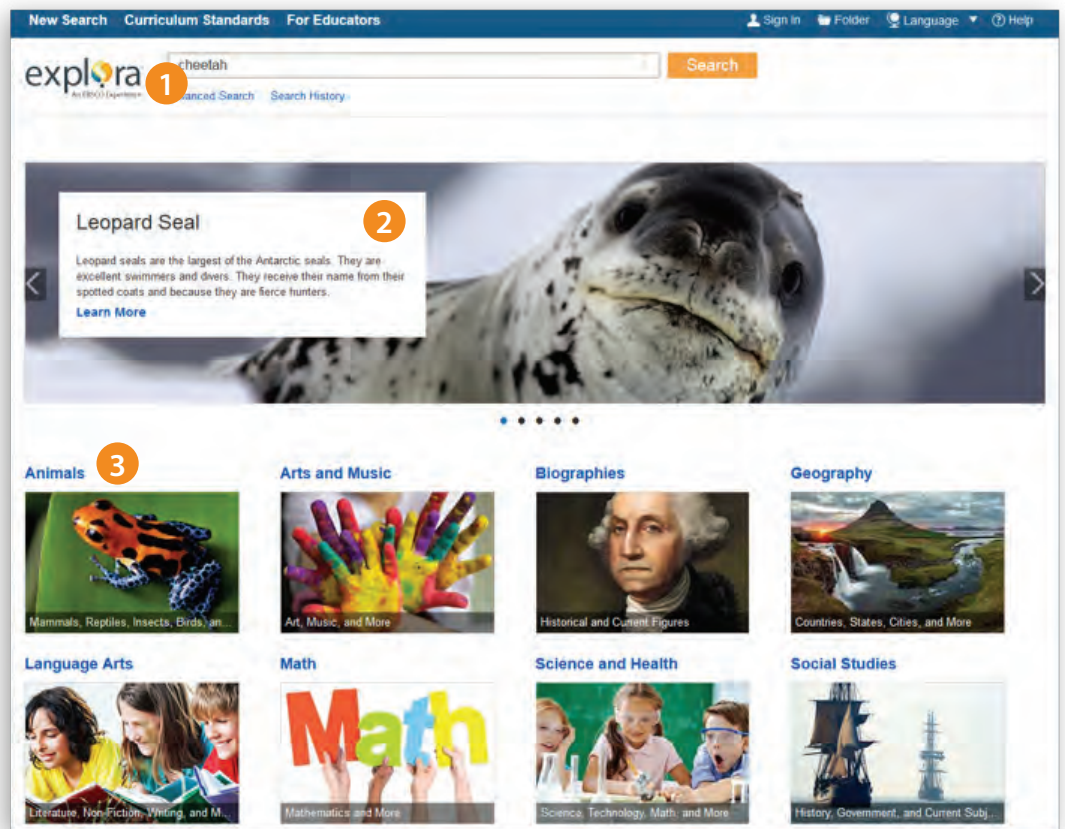

Get help with your class assignments using *Explora*[™], a kid-friendly interface from EBSCO, now available at your library. Learn about endangered species, famous musicians, space exploration and more!

Explora contains complete articles from dozens of the most popular elementary school magazines. All complete articles are assigned reading-level indicators (Lexiles[®]), and many articles are available in color PDF. You'll also find easy-to-read encyclopedia entries written specifically for kids and more than one million images of photos, maps and flags!

Need help? Ask your librarian.

Explora Home Page

1. Use the single search box to find articles on thousands of topics.
2. Scroll through the image carousel to see what's new. Click the Learn More link for more information.
3. Browse categories to find a research topic that interests you.

Explora Search Results Page

4. Read Topic Overviews for background information to help you get started with research.
5. Use the Publication Date limiter to find articles published within a specific date range.
6. Narrow results to magazines, books and other content types with the Source Types limiter.
7. Locate grade-appropriate articles that match your reading ability with the Lexile Range limiter.
8. View Related Images in the right-hand column.
