

Let your learning take flight with

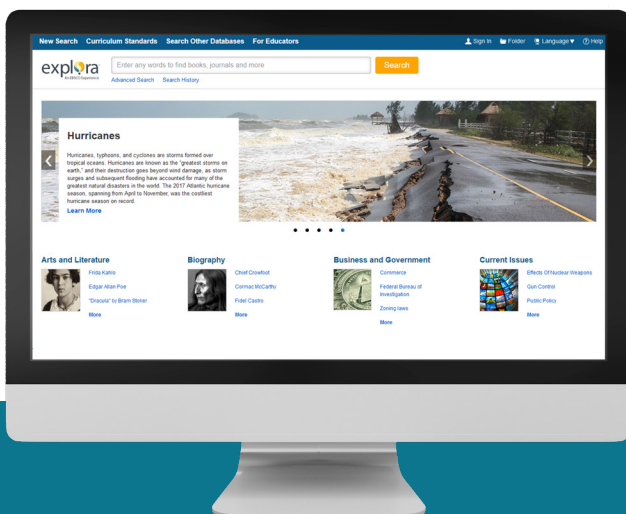

explora[™]
An EBSCO Experience

Did you know that your school library offers a fun, easy-to-use tool that can help you complete research and classroom assignments? With *Explora*, you will discover reliable information on thousands of topics covering a wide range of subjects including art and music, literature, language arts, geography, history, social studies, world cultures and languages, science, technology, engineering, mathematics, health and sports.

With *Explora*, you can...

- Search for articles, news and more using a single search box
- Browse popular topics by category to get research ideas
- Read Topic Overviews to gain the background information you need to start your research
- Limit results to articles that match your reading level
- Hear HTML articles read aloud with EBSCO's Text-to-Speech feature
- Search among 60,000 videos from the Associated Press, the world's leading news agency
- Save articles to Google Drive
- Save articles and searches to password-protected personal folders right in *Explora*
- Use the citation tool to build your list of references/works cited
- Get research tips on identifying relevant sources, citing them properly and avoiding plagiarism

Ask your librarian for details.
