EBSCO has partnered with Harvard Business Publishing to bring business students a suite of unique resources.

**HBP Student Success Package:**

**Core Curriculum**
- 76 Readings cover the foundational concepts, theories, and frameworks essential for business studies
- The readings are authored by faculty at Harvard Business School and include a Teaching Note document to help instructors gain insight into the case, related course materials and exhibit slides
- Teaching Notes are available at no cost to all educators with a free educator account at hbsp.harvard.edu
- 35-question test banks, practice questions, video clips, and interactive Illustrations enhance student comprehension of specific topics

**HBS Select Case Study Collection**
- More than 2,000 Harvard Business School case studies
- Curated by editors from Harvard Business Publishing
- Give students the perspective and context they need to navigate the current workplace and prepare for their careers
- Built around themes that are essential knowledge in today’s business context but often not covered in course syllabi

**HBR Ascend™**
- A soft skill-building tool to help graduates succeed in their careers
- Built on a mobile-first platform
- Offers advice and real-world experience from industry leaders to help graduates learn to work smarter and find happiness at work
- Subjects include jobs and careers, personal growth, working smarter, managing and leading and being happy at work
- Content includes videos from industry leaders, podcasts with real-world applications, full-text articles from leading journals, infographics to engage and inform, and bite-sized modules for sequential learning
