Help patrons and students learn the fundamentals of computers, the Internet and popular software applications with Computer Skills Center, a user-friendly e-learning platform from EBSCO LearningExpress that contains nearly 100 self-paced video tutorials.

Topics include:

Computer and internet basics, including social media

Popular Microsoft software applications
- Access
- Excel
- Office 365
- OneDrive
- Outlook
- PowerPoint

Popular Adobe graphics and illustration tools
- Illustrator
- Photoshop

Windows Operating Systems
- Project
- SharePoint Designer
- Visio
- Word

Computers are everywhere.
Knowing how to use them is a necessity — at school, at work, at home and on the go.

Help EBSCO LearningExpress Computer Skills Center is available as an add-on to Job & Career Accelerator, LearningExpress Library® and any version of PrepSTEP®.
