

# Middle Online Package™

Help students and educators achieve success with EBSCO's *Middle Online Package*, the most complete collection of full-text reference resources for middle schools.

Available via EBSCOhost® or Explora™, EBSCO's engaging and easy-to-use school interface, these six databases are designed to support student research and classroom instruction.

**Middle Online Package includes the following databases:**

## For Students

### **Middle Search Plus®**

This database contains complete articles from more than 170 popular middle school magazines, such as *Cobblestone*, *National Geographic*, *TIME*, *Scholastic News* and *Sports Illustrated Kids*, as well as more than 91,000 biographies and historical essays. It also includes primary source documents, reference books, 75,000+ videos from the Associated Press, and more than 1.9 million relevant photos, maps and flags.

### **Health Source®: Consumer Edition**

This collection of consumer health information contains nearly 30 active full-text, non-open access consumer health magazines and 100 full-text reference books. Topics covered include fitness, nutrition, diabetes, alcoholism and more.

### **Newspaper Source™**

Newspapers contain excellent primary- and secondary-source content. *Newspaper Source* provides cover-to-cover full text for more than 200 national (U.S.) and international newspapers as well as full text for more than 310 regional (U.S.) newspapers. In addition, full-text television and radio news transcripts are provided by CBS News, CNN, CNN International, Fox News and NPR.

### **TOPICsearch™**

Teachers, librarians and student researchers can use this database to explore current events; social, political and economic issues; scientific discoveries; and other popular topics frequently discussed in the classroom. *TOPICsearch* contains more than 90,000 complete articles from diverse content sources.

## For Educators

### **Professional Development Collection™**

This highly specialized collection is designed for professional educators, professional librarians and education researchers. It includes indexing and abstracts for nearly 750 journals, more than 450 full-text journals, and more than 220 educational reports.

### **ERIC®**

The *Education Resource Information Center* (ERIC) provides access to educational literature and resources. The database contains more than 1.6 million records, links to hundreds of thousands of full-text documents, and includes an education-specific thesaurus.
