

Reach your
readers where
they are.

NoveList Plus

Match readers with books

Created by passionate book lovers, **NoveList Plus** provides unique story elements to help you guide readers to books that match the reading experience they want.

NoveList Select

The next read, guaranteed!

NoveList Select is powered by the same recommendations you know and trust from NoveList, which means no more dead ends, just satisfied readers.

LibraryAware

Increase patron engagement

LibraryAware connects patrons to your resources through the channels where *they* are. Create program signage, posters, e-newsletters, social media posts, and more!

“

Empower your staff

“NoveList Plus is my first go-to resource when someone asks me to help them find reading material.”

— *Cecelia McMullen,*
Spokane County Library District

Meet the needs of your community

“LibraryAware is my go-to because it has library-focused templates and I don't have to find book covers in other places. LibraryAware makes things so much easier and no design experience is necessary!”

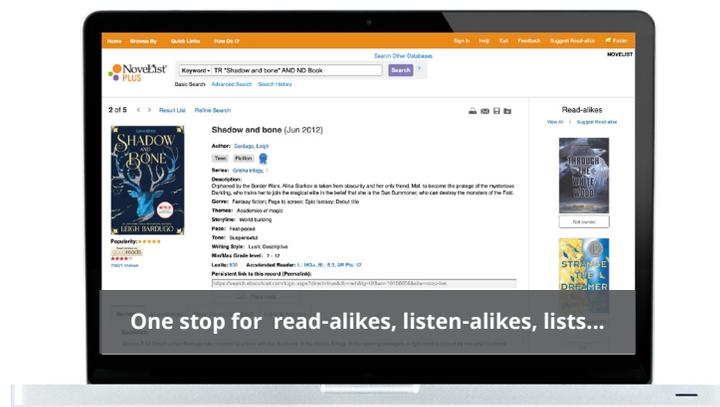

— *Brooke Savoie,*
Lafourche Parish Public Library
