Love of Reading

Your library has an important job. To build a strong community, you select materials and plan programming that engages, informs and fosters a lifelong love of reading.

EBSCO Solutions: Readers' Advisory Services, Top Magazines and eBooks

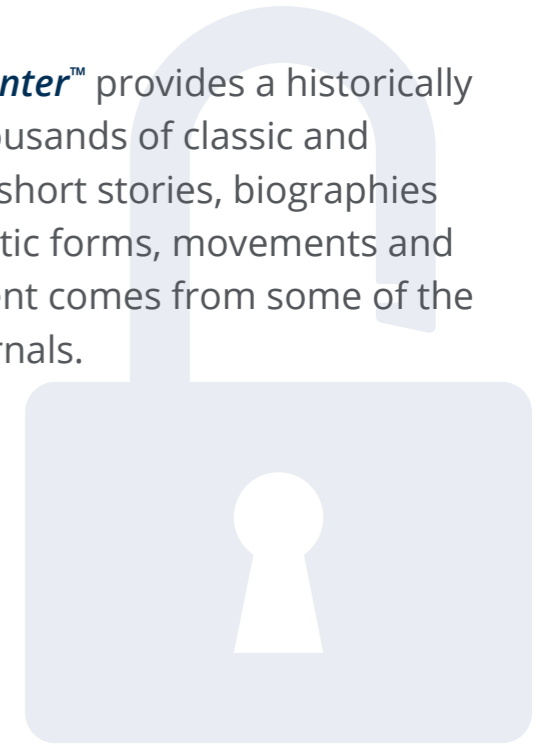

EBSCO eBooks™ collections for your library contain high-quality fiction and nonfiction titles across a diverse range of subject and topic areas — ensuring that your library will find the collection to meet your patrons' interests.

Flipster® offers digital magazines for all types of member needs and interests with magazines including popular titles like *Car and Driver*, *The New Yorker*, *Food Network Magazine*, *Choice* and *Entertainment Weekly*. A custom *Flipster* carousel is a great way to dress up your library website and let patrons know about *Flipster*.

Literary Reference Center™ Plus provides the most relevant information on thousands of authors and their works across literary genres and timeframes. Full-text resources cover both classic and contemporary novels, plays/drama, poetry, philosophical and religious literature, and children's literature.

NoveList® Plus engages your community by helping them discover fiction and nonfiction books that meet a wide variety of interests. With trusted read-alike recommendations for titles, series and authors, as well as detailed cataloging, it's easy to match readers to the right books.

Poetry & Short Story Reference Center™ provides a historically rich collection of hundreds of thousands of classic and contemporary poems, as well as short stories, biographies and essays on such topics as poetic forms, movements and techniques. The database's content comes from some of the finest publishers and literary journals.

DIY, Hobbies and Makerspaces

Engage your community with creative programming that aligns with a wide variety of interests and passions.

EBSCO Solutions: Tools to Inspire a Creative Community

Auto Repair Source, powered by the automotive experts at MOTOR, provides the most accurate, authoritative and up-to-date service and repair information for thousands of domestic and imported vehicles. Content includes step-by-step repair information, diagrams, maintenance schedules, parts and labor estimates, service bulletins and recalls.

Flipster® offers digital magazines covering a range of hobbies, interests and DIY topics that meet the unique needs of your library community.

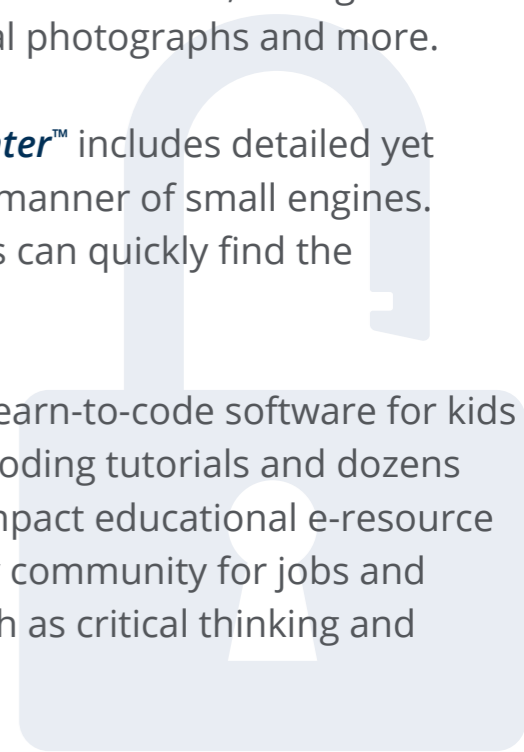

Hobbies & Crafts Reference Center™ offers detailed “how-to” instructions and creative ideas to meet the interests of virtually every hobby enthusiast. Full text is provided from leading hobby and craft magazines.

Home Improvement Reference Center™ is a comprehensive full-text collection of detailed, user-friendly “how-to” information covering a variety of home improvement and repair projects.

MyHeritage Library Edition™ is the world’s largest, most internationally diverse family history research database. This convenient genealogy product offers remote access to billions of historical documents from more than 48 countries and in 40 languages. Content includes census records, immigration records, military records, historical photographs and more.

Small Engine Repair Reference Center™ includes detailed yet user-friendly repair guides for all manner of small engines. Content is organized so that users can quickly find the information they need.

Prenda Code Club is a self-paced learn-to-code software for kids ages 8-18. Through hundreds of coding tutorials and dozens of real-world projects, this high-impact educational e-resource prepares the youth in your library community for jobs and provides meaningful life skills such as critical thinking and problem solving.

An Informed Citizenry

In an era when “fake news” spreads quickly, it has never been more important for libraries to provide consumers with vetted information from trusted resources.

EBSCO Solutions: Reliable Resources to Meet a Variety of Information Needs

Our **Complete Package for Public Libraries** is the most well-rounded collection of resources for public libraries, offering popular full-text magazines, reference books and other highly regarded sources from the world’s leading publishers. This package includes five databases tailored to public libraries:

MasterFILE™ Complete covers the areas of business, health, education, fitness, sports and leisure, personal finance, science and technology, multicultural issues, home and garden, travel, fashion and entertainment, and offers balanced viewpoints across the political spectrum.

Business Source® Complete includes full text for leading business magazines and peer-reviewed business journals covering all disciplines of business such as marketing, management, accounting, banking, finance and more. Content includes more than 1.1 million public and private companies worldwide, industry profiles, SWOT analyses, market research reports, country reports, product reviews and more.

Consumer Health Complete™ includes high-quality content covering all key areas of health and wellness, from mainstream medicine to complementary and holistic medicine. Content includes evidence-based health reports and animations with audio narration.

Newspaper Source™ Plus offers access to more than 77 million full-text newspaper articles and radio and television news transcripts.

Primary Search® enhances your children’s room with easy-to-read online encyclopedia entries, a vast image collection, and complete articles from popular children’s magazines, such as *Cricket*, *Cobblestone*, *TIME for Kids*, and *Highlights*.

ConsumerReports.org® offers unbiased ratings, reviews and product comparisons on cars, appliances, electronics and more. These, along with in-depth advice, tips and trends, can help your library’s users make smarter purchasing decisions.

Job and Career

Your library plays a critical role in your community, keeping small businesses up-to-date with business news and information and supporting its workforce with tools for job and career development.

EBSCO Solutions: Quality Business and Career Content

Business Source® Complete provides leading full-text business magazines and comprehensive company information for more than one million companies. Magazines include *Bloomberg Businessweek*, *Forbes*, *Fortune* and *Harvard Business Review*.

LearningExpress Job & Career Accelerator™ is a powerful online resource for job searching and career exploration. It includes more than 1,100 occupations, 200 sample resumes, 25 cover letters and millions of up-to-date job and internship postings, as well as tips and guidance on preparing for and getting a job.

Legal Information Reference Center™ offers tools and detailed how-to instructions covering a wide range of legal issues. It includes full text for many top consumer legal reference books, including Nolo's do-it-yourself guides, as well as thousands of legal forms.

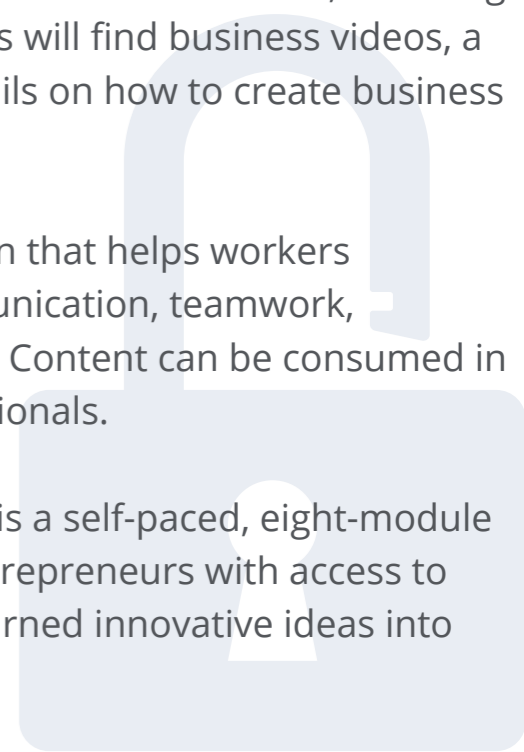

Reference Solutions from Data Axle is the leading source for business and residential data in the United States. It is designed

to help users research businesses, create marketing and small business plans, locate specific people and more.

Small Business Reference Center™ offers exclusive full text for many top consumer small business reference books, including Nolo's do-it-yourself guides. Users will find business videos, a help and advice section, and details on how to create business plans.

Accel5® is a microlearning solution that helps workers develop soft skills such as communication, teamwork, leadership, innovation and more. Content can be consumed in minutes — ideal for busy professionals.

Entrepreneurial Mindset Training is a self-paced, eight-module course that provides budding entrepreneurs with access to individuals like them who have turned innovative ideas into profitable businesses.

Meet the specialized needs of English-language learners (ELL) and young readers to keep them excited about learning.

EBSCO Solutions: Targeted Resources for English-Language Proficiency and Early Literacy

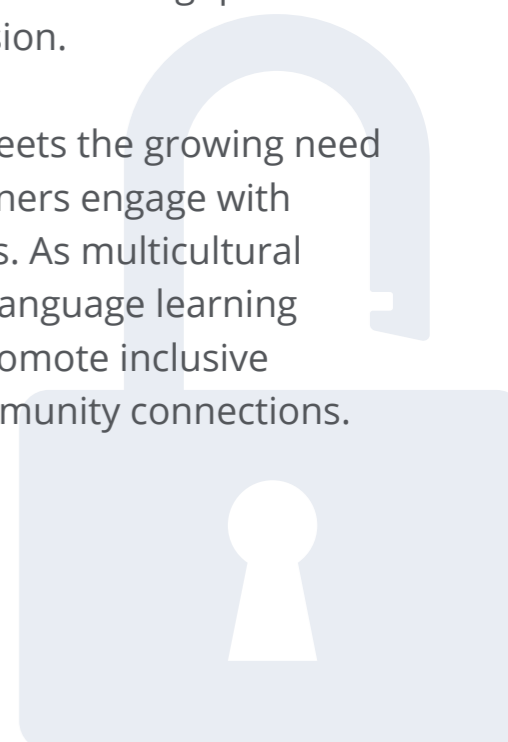

Children's Core Collection™ is an affordable reference tool for building and weeding your library's children's collection. Containing more than 48,000 recommended titles, this database makes it easy for you to create a thriving collection for your library's youngest readers.

Flipster® offers bilingual, Spanish- and French-language magazines such as *People en Español*, *France-Amérique*, and *Vocabulaire*. Titles such as *Ask*, *Cobblestone*, *Cricket*, *Faces* and *Muse* — are written for younger readers and can help ELLs of all grade levels improve their English-language proficiency.

NoveList® K8 Plus can help you pinpoint books that students will want to read at just the right reading level, helping them become lifelong readers.

Read It!™ supports the learning and research needs of those who have a foundation in English but need adapted reading material. More than 1,300 Lexile-leveled articles cover a variety of topics, offer modified vocabulary and sentence structure, and include post-reading quizzes and answers to reinforce comprehension.

Rosetta Stone® Library Solution meets the growing need for libraries to help language learners engage with confidence in multilingual settings. As multicultural communities expand, interest in language learning increases. Language programs promote inclusive participation and strengthen community connections.

Efficient technology solutions ensure that your library's valuable materials are easy to find, whether members are in the library or remote.

EBSCO Solutions: Intuitive Search Interfaces and Seamless Access

EBSCO Discovery Service™ (EDS) is a powerful, customizable research tool that allows users to search across your collection — including the library catalog — using a single search box. Flexible customization options allow you to personalize the EDS interface with your library's colors and logo to help users recognize it as part of the library's resources.

Linked Library Service enables your collections to become visible (and discoverable) on the web. You'll be able to reach both users and non-users who are searching for things you already have in your collection.

OpenAthens is an advanced access management system that eliminates the need for multiple logins. Users sign in only one time to access all your library's resources.

Stacks, a turnkey, responsive web content platform designed specifically for libraries, enables libraries to change the look and feel of their websites instantly. With customizable themes, configurable drag-and-drop layouts, social media integrations, granular user roles and multi-language support for more than 60 languages, libraries are now able to create and maintain online content with ease.

Collection Management and Marketing

Marketing your library's resources today poses new challenges and opportunities with libraries serving patrons in person and online.

EBSCO Solutions: Tools for Collection Development and Readers' Advisory

Core Collections™ databases offer impartial, authoritative guidance for building and maintaining a well-rounded collection of the most highly recommended reference books, nonfiction, fiction and graphic novels.

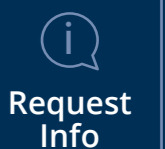

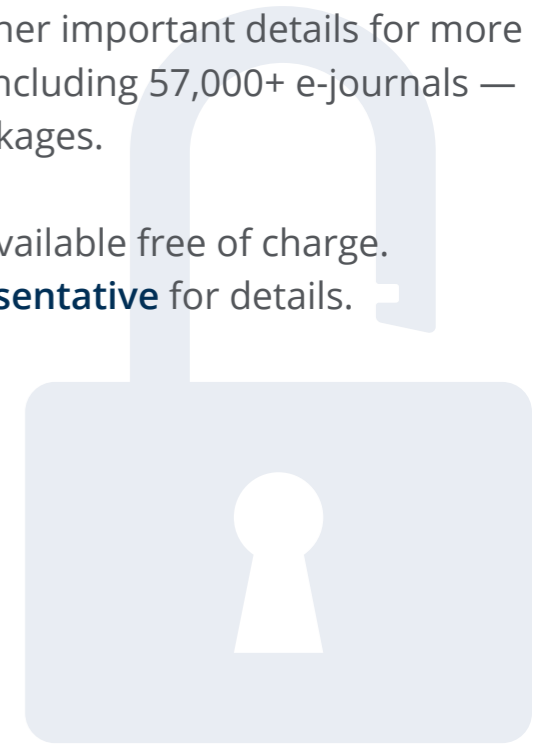

LibraryAware™ helps libraries connect with readers and keep them engaged. Find templates and tools to create newsletters, bookmarks, shelf talkers, flyers and more for promoting books and resources throughout the library.

EBSCOhost® Collection Manager (ECM) is an easy-to-use tool for building and managing your *EBSCO eBooks™ and Audiobooks* collections, as well as your *Flipster®* magazine subscriptions.

NoveList® Select helps your readers discover great books by enriching your catalog with recommendations, series information and more. Using NoveList Select means your readers get the extensive NoveList information you trust where they need it most — in the library catalog.

EBSCONET® Subscription Management as the industry's leading subscription agent, EBSCO works with more than 98,000 publishers around the globe to provide one of the world's most comprehensive title catalogs. With our complimentary *EBSCONET Subscription Management* tool, you get convenient online access to pricing, access options, and other important details for more than 360,000 individual titles — including 57,000+ e-journals — and more than 700 e-journal packages.

Collection Analysis Services are available free of charge. **Contact your EBSCO sales representative** for details.

Professional Development

With everything on your calendar, desk and shelves, professional tools you can access on your schedule will keep you, your library and your staff ahead of the curve.

EBSCO Solutions: Sources for Computer Skills and Librarianship

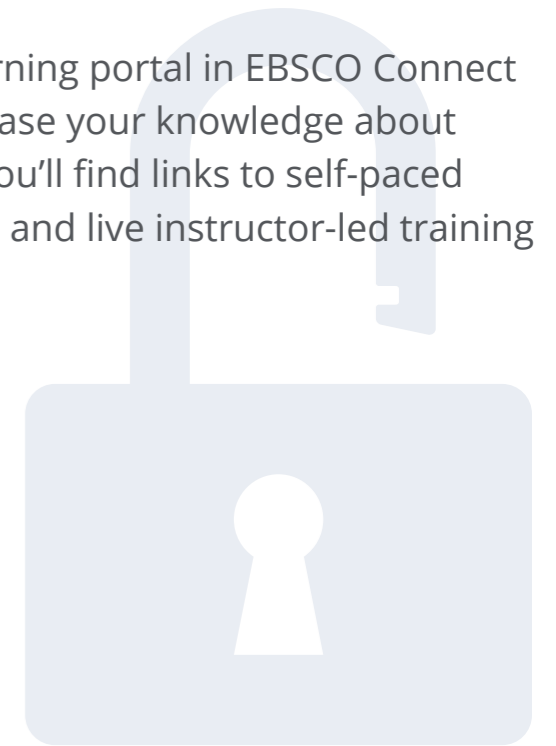

Library & Information Science Source™ offers journals and periodicals that help librarians and researchers keep pace with the latest trends in a rapidly evolving field.

Flipster® digital magazines keep you up-to-date on the latest topics and trends in libraries. Available magazines include *Library Journal*, *Horn Book Magazine*, *Computers in Libraries* and more.

LearningExpress Computer Skills Center™ includes more than 90 self-directed video tutorials covering the basics of computers, Windows and Mac OS operating systems, and searching the internet. The resource also includes beginner-to-advanced tutorials for some of the most commonly used software applications from Microsoft and Adobe.

LearningExpress Personal Success Skills helps patrons develop and strengthen valuable skills to navigate their personal and professional lives. Interactive tutorials, e-books and articles cover essential topics in workplace success, organization, time management and personal finance.

EBSCO Academy is a one-stop learning portal in EBSCO Connect that is designed to help you increase your knowledge about EBSCO's products and services. You'll find links to self-paced eLearning paths, recorded videos and live instructor-led training sessions.

Let EBSCO help you unlock the door to
a better future for your community.
