# Love of Reading

Your library has an important job. To build a **strong community**, you select materials and plan programming that **engages, informs** and **fosters a lifelong love of reading.**

# Love of Reading

**NoveList Plus** and **NoveList K-8 Plus** are databases of reading recommendations that help librarians connect readers to books they'll enjoy.

**BookChat** offers on-the-spot read-alikes and search tips live from NoveList experts — perfect when readers have questions about unfamiliar topics or when the library is closed. *Available for NoveList Plus only.*

**EBSCO eBooks** includes carefully curated collections of e-books across subject areas, including DRM-free options.

**Flipster Digital Magazines** offers digital access to bestselling children's magazines, consumer magazines, journals and trade publications.

**Digital Magazine Archives** offer cover-to-cover access to key magazines — such as *Life*, *People* and *TIME* — from the very first issue.

**Literary Reference Center Plus** is a database of literary reference works across all genres and time periods.

**Poetry & Short Story Reference Center** is a database of information on thousands of classic and contemporary poems and poets.

“

Reading is a passport  
to countless adventures.

---

Mary Pope Osborne  
*Children's author*

# DIY, Hobbies and Makerspaces

Engage your community with **creative programming** that aligns with a wide variety of **interests and passions.**

## DIY, Hobbies and Makerspaces

**Auto Repair Source** offers accurate, authoritative and up-to-date DIY service and repair information for thousands of domestic and imported vehicles.

**Fiero Code** is an award-winning learn-to-code software program for ages 8-18 with gamified instruction in HTML, CSS, JavaScript and more. Empower staff to facilitate fun and engaging programming.

**Flipster** offers digital magazines covering a range of hobbies, interests and DIY topics.

**Hobbies & Crafts Source** contains “how-to” instructions and creative ideas from leading hobby and craft magazines.

**Home Improvement Source** is a database of user-friendly “how-to” information for those tackling home improvement and repair projects.

**MyHeritage Library Edition** is the largest, most internationally diverse family history research database to help patrons trace their genealogy.

**Small Engine Repair Source** contains detailed, yet user-friendly repair guides for all manner of small engines.

“ By incorporating Fiero Code, we’re able to provide high-quality programming without staff-intensive planning.

Jesse Simms

# An Informed Citizenry

In an era when “**fake news**” spreads quickly, it has never been more important for libraries to provide consumers with **vett**ed information from **tr**usted resources.

# An Informed Citizenry

**78%** of Americans feel that public libraries help them find information that is trustworthy and reliable.

Pew Research Center, 2017

**Business Source Complete** is a database of leading business magazines, journals, company info, SWOT analyses, market research reports and more.

**Consumer Health Complete** provides evidence-based reports, magazines, journals, reference books and more covering health and wellness.

**ConsumerReports.org** offers unbiased ratings, reviews and product comparisons on cars, appliances, electronics and more.

**Explora** is a research experience providing unique, age-appropriate content for schools and public libraries. Compatible databases include:

**MasterFILE Complete**

**Middle Search Plus**

**Newspaper Source Plus**

**Primary Search**

and many more...

**FinancialFit** offers short, easy-to-understand personal finance lessons, videos and interactive tools to help patrons make informed financial decisions and achieve their financial goals.

# Job and Career

Your library plays a critical role in your community, keeping small businesses up-to-date with business news and information, and **supporting workers** with tools for **job and career development.**

# Job, Career and Small Business

**56%** of American adults say libraries contribute to helping people find jobs or pursue job training.

Pew Research Center, "Libraries 2016"

**LearningExpress Library Complete** offers skill-building, test prep and career-related resources — all in one easy-to-use online platform.

**LearningExpress Job & Career Accelerator** includes millions of up-to-date job and internship postings as well as tools for exploring occupations, writing resumes and cover letters and preparing for job interviews.

**Entrepreneurial Mindset Training Course** is an eight-module, self-paced course to help prospective entrepreneurs turn ideas into profitable businesses.

**Business Source Complete** is a database of leading business magazines, journals, company info, SWOT analyses, market research reports and more.

**Business Skills Accel5 Collection** offers unique videos and book summaries to help individuals develop skills critical for success in work and life.

**Small Business Source** includes top consumer small business reference books, business videos, and details on how to create business plans.

**Legal Information Source** provides detailed how-to instructions covering a wide range of legal issues and thousands of legal forms.

# Diversity, Equity and Inclusion (DEI)

Enhance research and reading experiences for **all library users** by ensuring that the content in your collection represents their **lived experiences** and meets their **specialized learning needs**.

# Diversity, Equity and Inclusion (DEI)

**Ethnic Diversity Source** is a database covering the culture, traditions, social treatment and lived experiences of many ethnic populations in North America.

**Flipster** provides digital access to magazines such as *Ebony*, *Essence*, *Out*, *People en Español* and more.
