

Your Library is Wherever You Are

Here are **10 ways** you can find your place at the library — no matter where you are in life's journey.

1

Discover books that entertain, uplift, inspire and encourage.

Librarians have the tools and expertise to connect you to the books that are right for you.

2

Browse your library's virtual stacks.

Find fiction, nonfiction, graphic novels and comic books in your library's e-book and audiobook collections.

3

Find reliable answers to life's questions.

Your library's research databases include articles from reputable publishers, so you know the information is trustworthy.

Uncover your family history.

Many libraries offer free online genealogy resources to help you trace your roots.

4

5

Learn a new language.

Being able to read, speak and understand more than one language can be an asset — for students, business professionals and travel enthusiasts.

Further your education.

Prepare for college admissions exams and complete online certification programs.

6

7

Find a new job or career.

The library has tools to help patrons explore careers, create strong resumes and build workplace skills.

Listen to your latest jam.

Your library card often gives you access to streaming music services.

8

9

Watch your favorite films.

In addition to DVDs for checkout, many libraries offer streaming movie services.

Discover a new passion or hobby.

Digital magazines cover a range of interests such as cooking, gardening, needlecrafts, photography, fishing, woodworking, DIY projects and more.
