Enrolling in a Course

You can enroll in self-paced courses on your own. Live courses are available through institutional purchase only. For more information on purchasing a live course for your institution, email learnwithnovelist@ebSCO.com. Once the purchase of a live course is made, an instructor from Learn with Novelist will manually enroll you in the course.

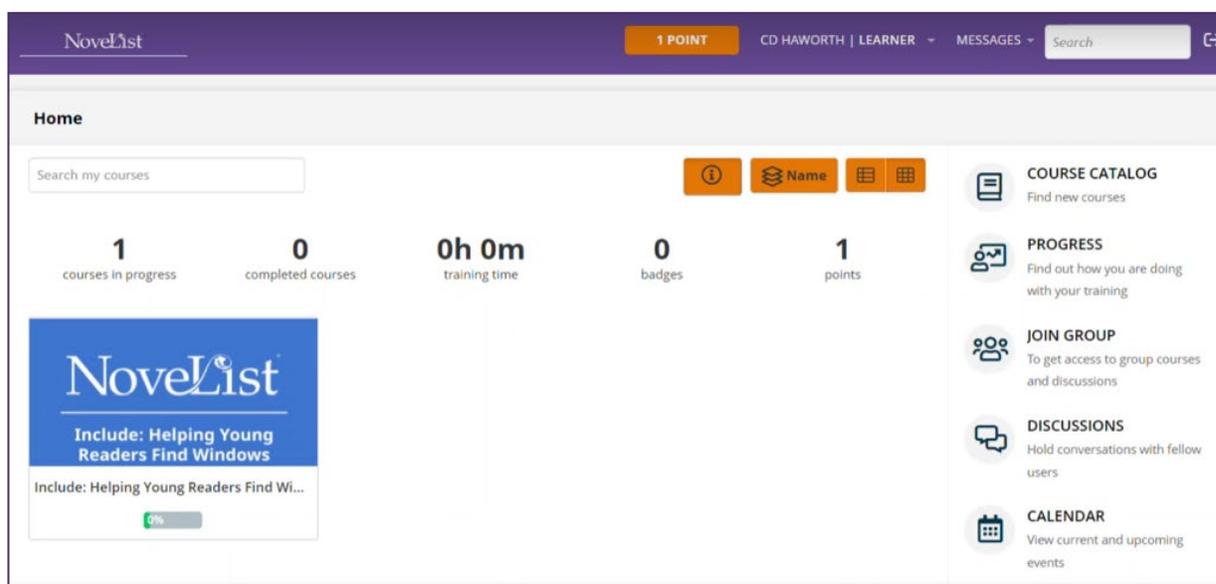

Enrolling in self-paced courses

After you create a new Learn with Novelist account or log in with an existing account, you will be taken to the course homepage.

1. Click on the “**Course Catalog**” tab to browse the courses curated for your learning. Once you have chosen a course that interests you, click on the course title to access the course details.
2. You can easily purchase a course with your credit card by clicking on “**Get this course.**”

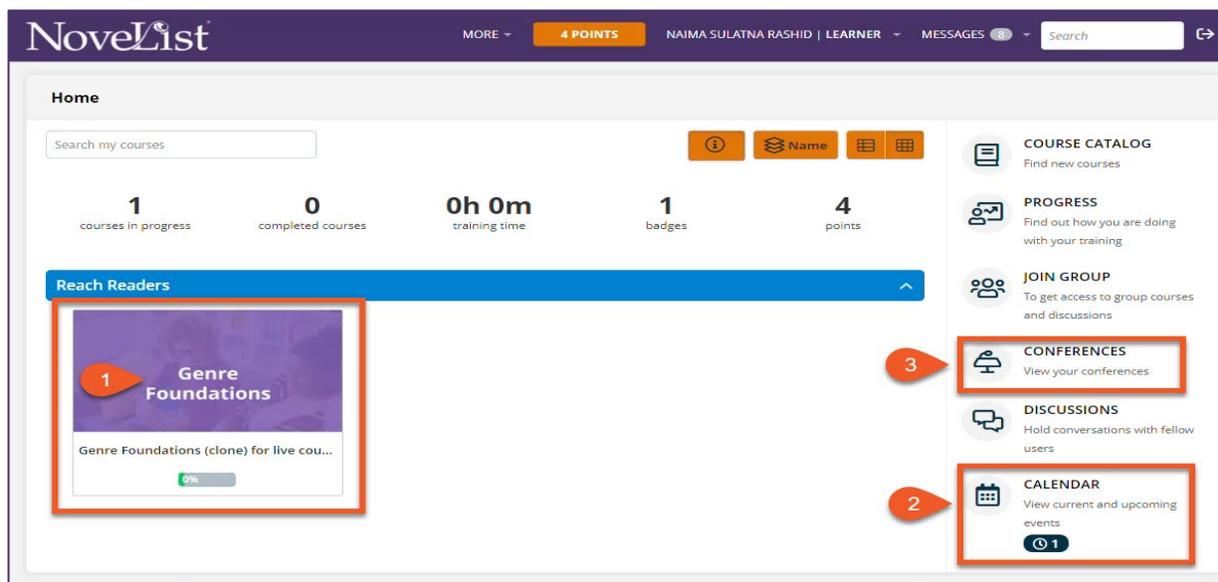

After you purchase a course, you will be directed to your home screen, and you can begin your learning journey!

Joining Live Training

How do I join the live training session?

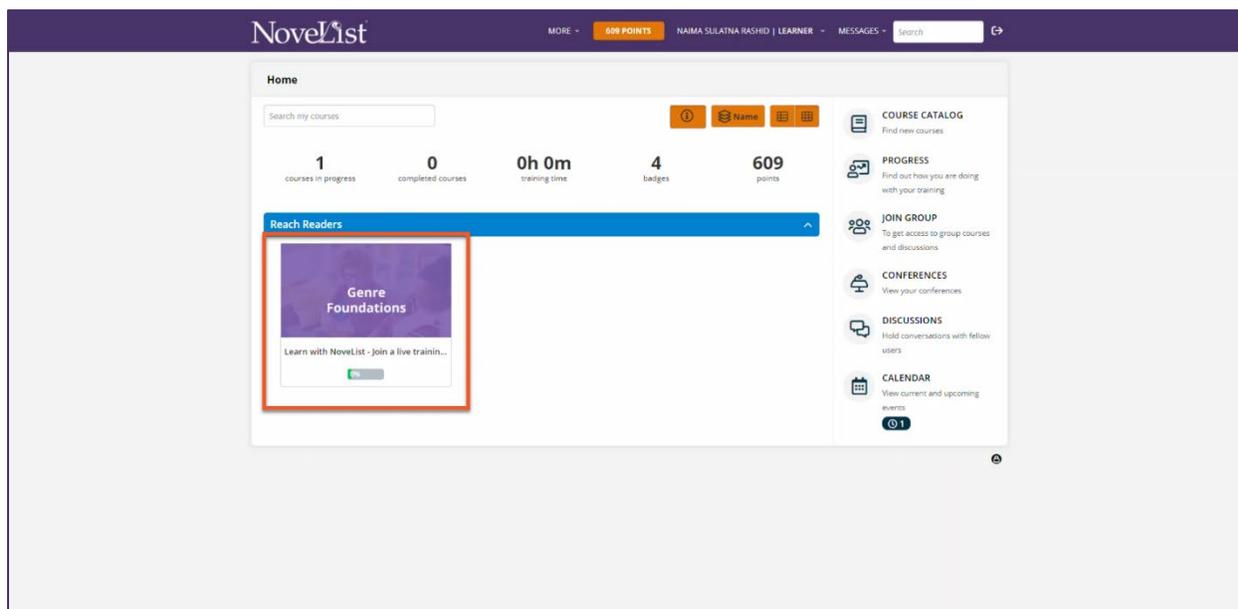

1. Log in to learnwithnovelist.com with your username and password.
2. After you log in, you can join your live training session from several different places within the platform. Choose any one of the options and follow the steps below to join the training session.

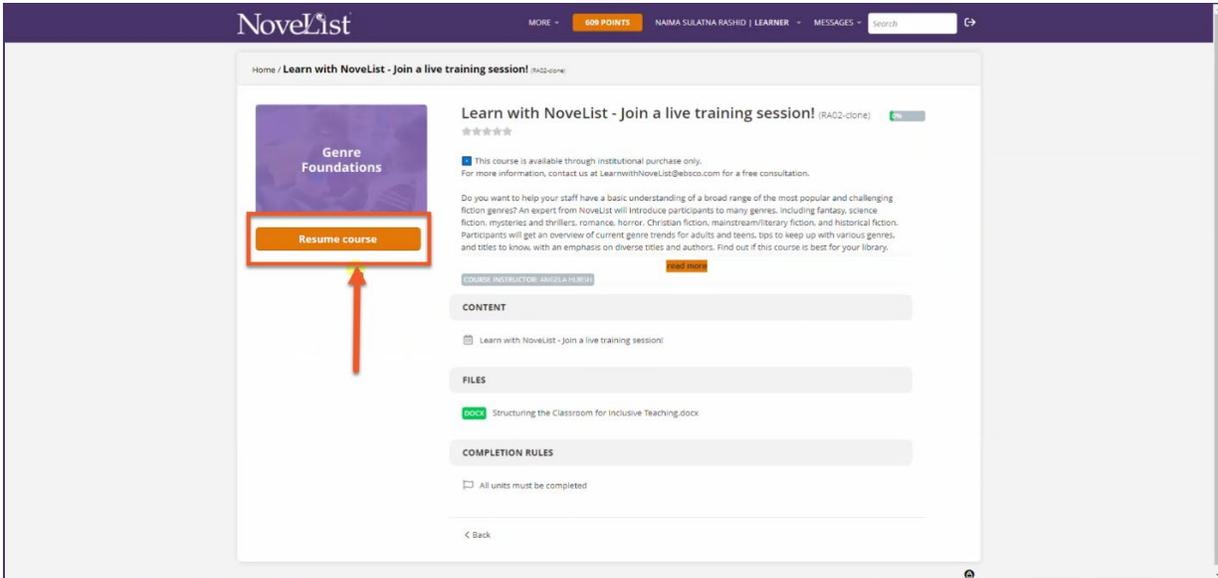

These options allow you to easily join your live training session from multiple places.

Option 1 - Join from your course dashboard

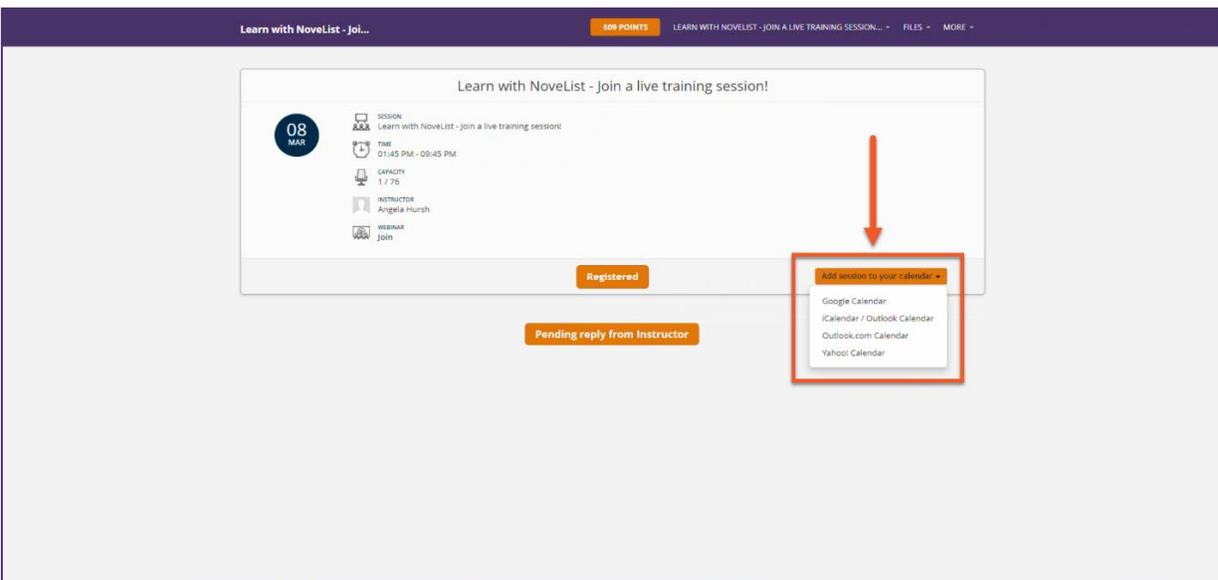

1. Select your live course from the dashboard.

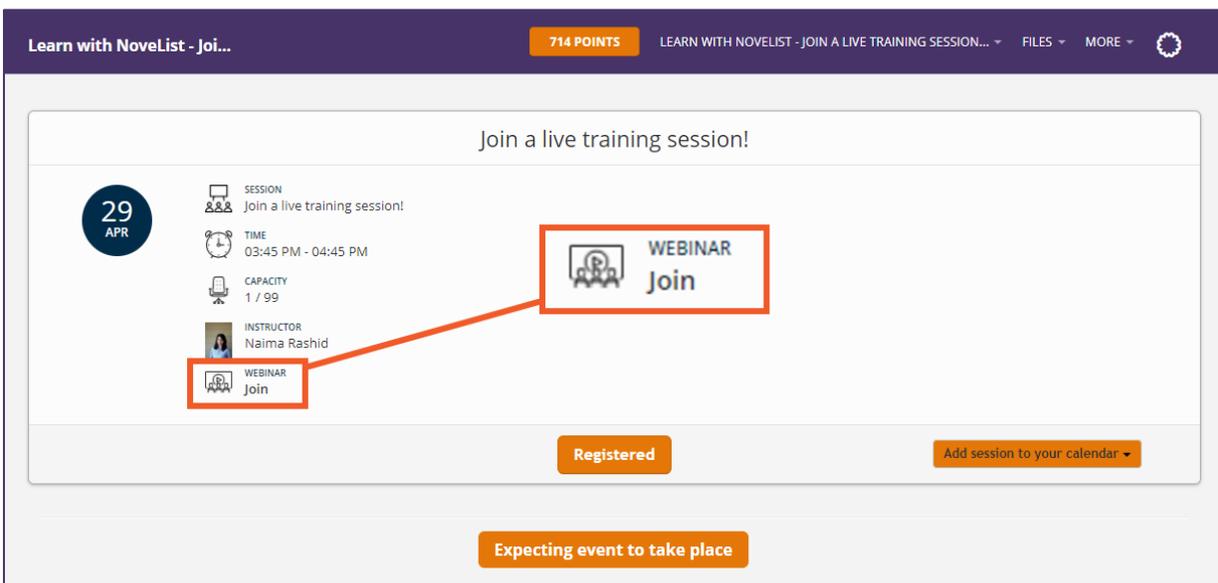

2. Click "Resume Course" to see the live session landing page.

3. Click on "Add session to your personal or work calendar" in the lower right-hand corner so you'll have a reminder to join the session.

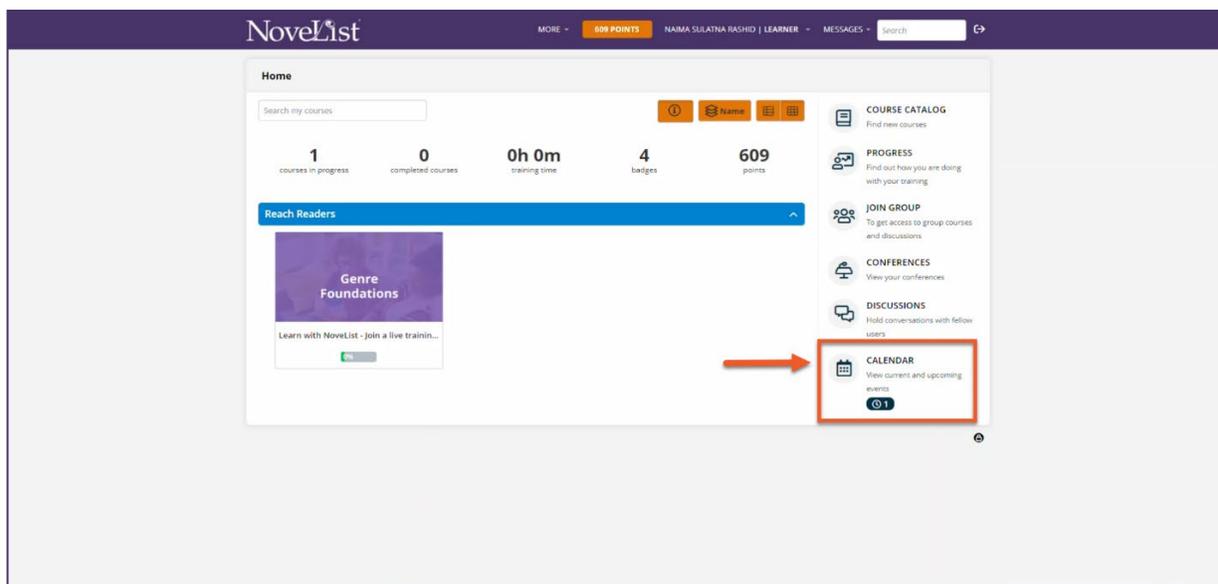

- Click on the word "**Join**" to enter your training session. Be sure to log on 10 minutes early to check your audio and video connections.

Important – The word ‘Join’ will be activated 15 minutes before your live training session.

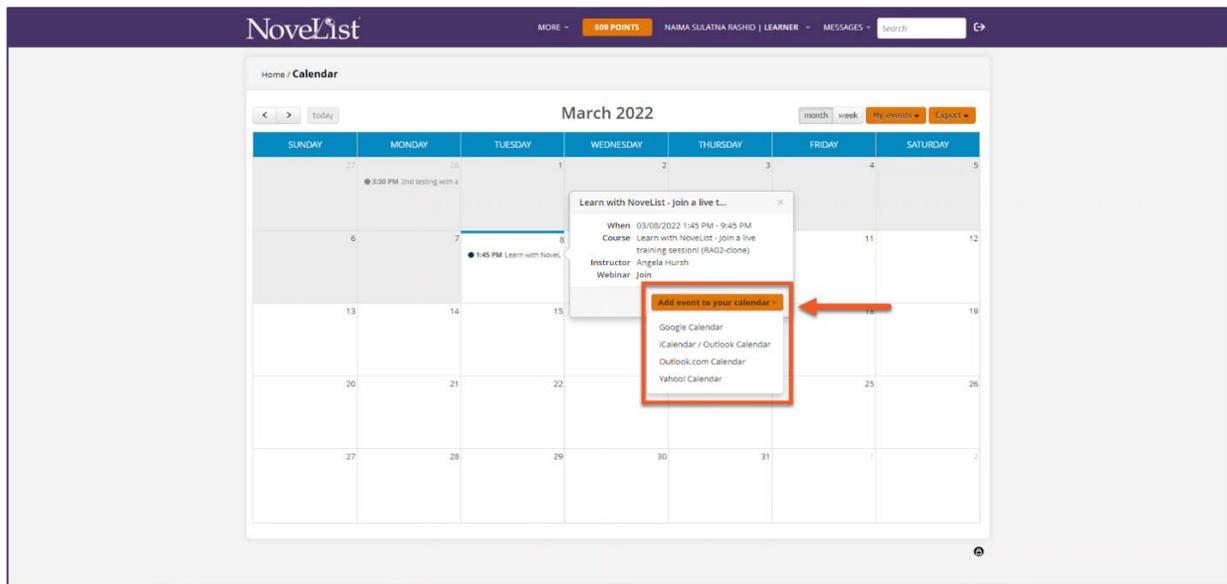

Option 2 - Join from calendar

- Go to the **Calendar** from the dashboard.

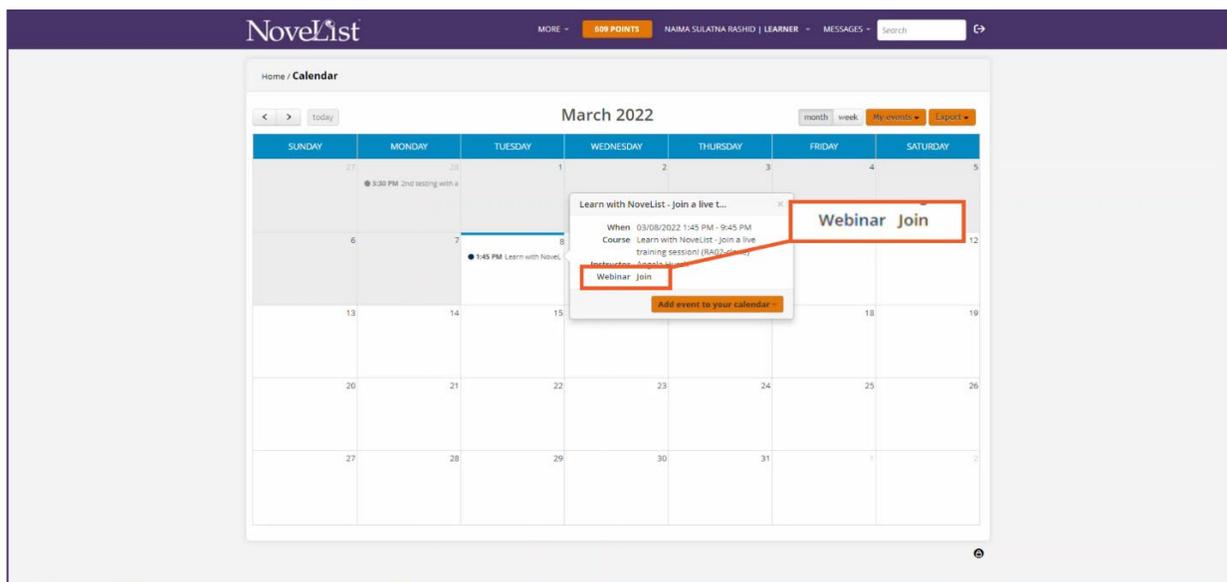

- Click on the date of the event.

3. You can also add the event to your work or personal calendar and set event reminders.

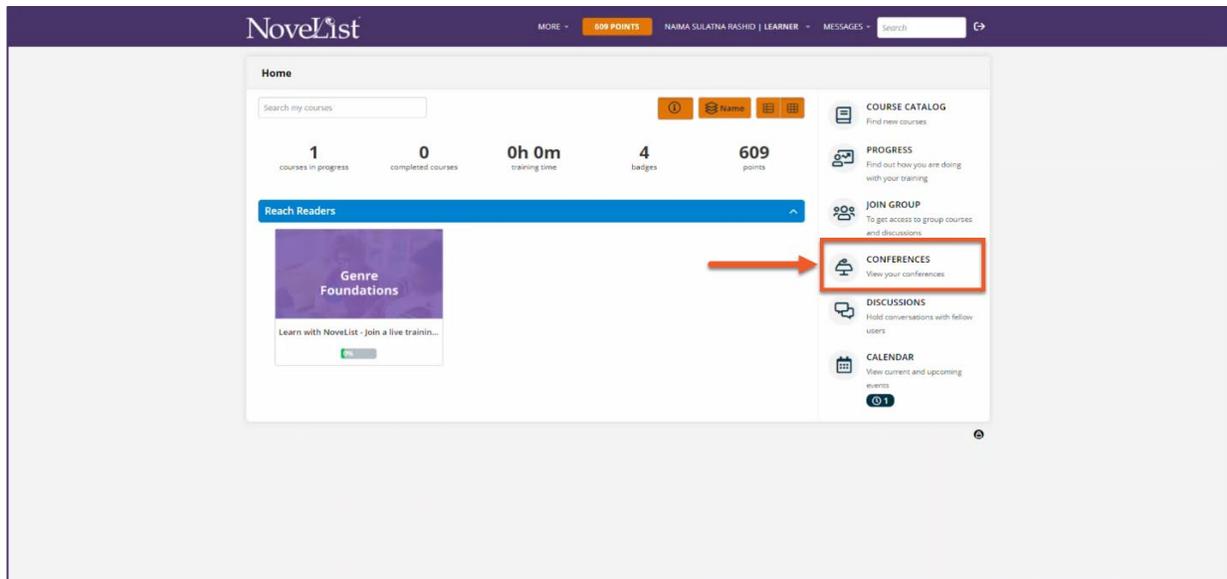

4. Click on the word "Join" to enter your training session.

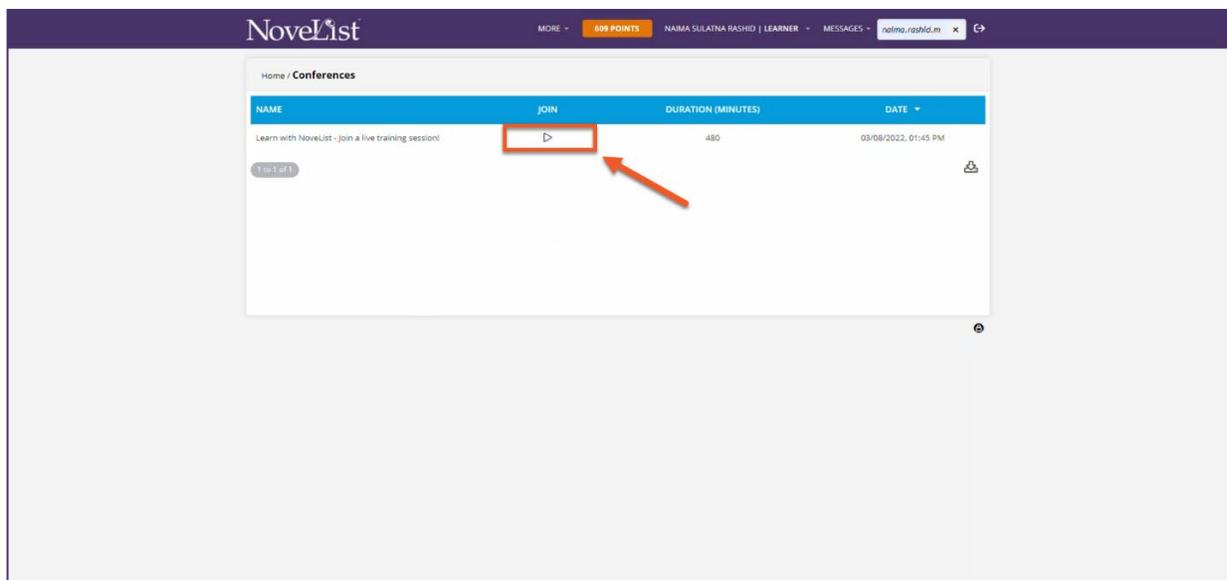

Tip: You may click on the course name to see the live session landing page.

Option 3 - Join from conference

1. Go to the **Conferences** page from the dashboard.

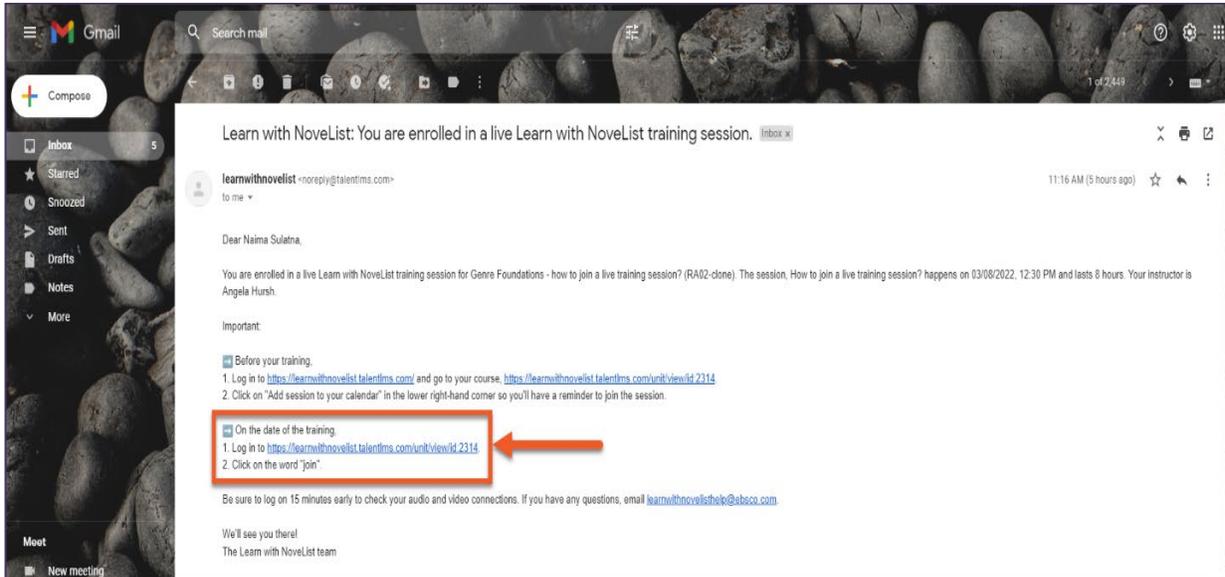

2. Click on the triangle **play icon** under join to enter the session.

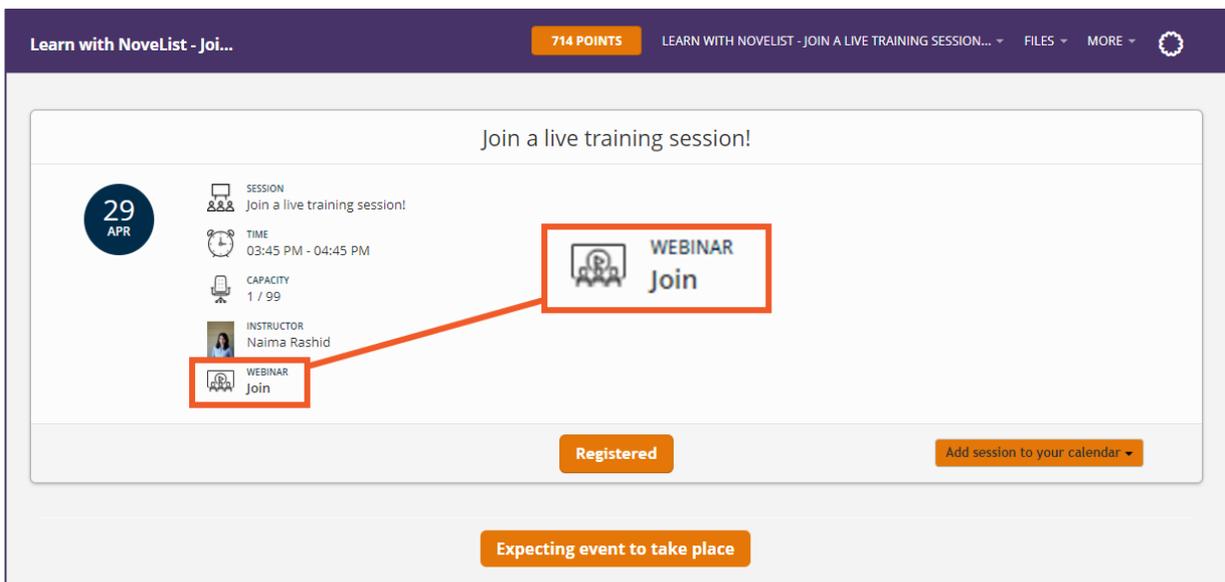

Option 4 - Join from email

1. A direct URL link to the training session landing page is sent to your email from Learn with Novelist. Click on the **URL** to get to the session landing page.

2. Once you are there, click on the word **"Join"** to enter your training session.

Navigating Courses

To complete a course, you will typically need to complete several types of units, like videos, tests, or assignments.

Access course materials

When you enroll in a self-paced course, it will be on your home screen. The course is broken down into several lessons and learning activities that include videos, quizzes, assignments, and reading materials.

Tests and Automatic Grading

Quizzes ensure you understand concepts.

1. There are **quizzes within the** lessons.

You will need to watch the accompanying video and then answer the questions correctly. If your submitted answer is correct, you will move on to the next unit. You may repeat the test as many times as you need to get to the right answer.

1 Complete watching the lecture

2 Solve a question

Pair up the correct answers.

What concept did Doctor Rudine Sims Bishop introduce in 1990, in her groundbreaking article?

Literature transforms	human experience
In 1990, Doctor Rudine Sims Bishop introduced the concept	and readers often seek their mirrors in books.
Reading, then, becomes a means of self-affirmation	of books as windows, mirrors, and sliding glass doors

3 Submit answer & move onto next unit

2. There are also short, graded **quizzes at the end of the lessons.**

You have 30 minutes to complete it

Start test

You will immediately know if your attempt at the quiz question was successful. The correct answers and your responses will be displayed for you at the end of the quiz.

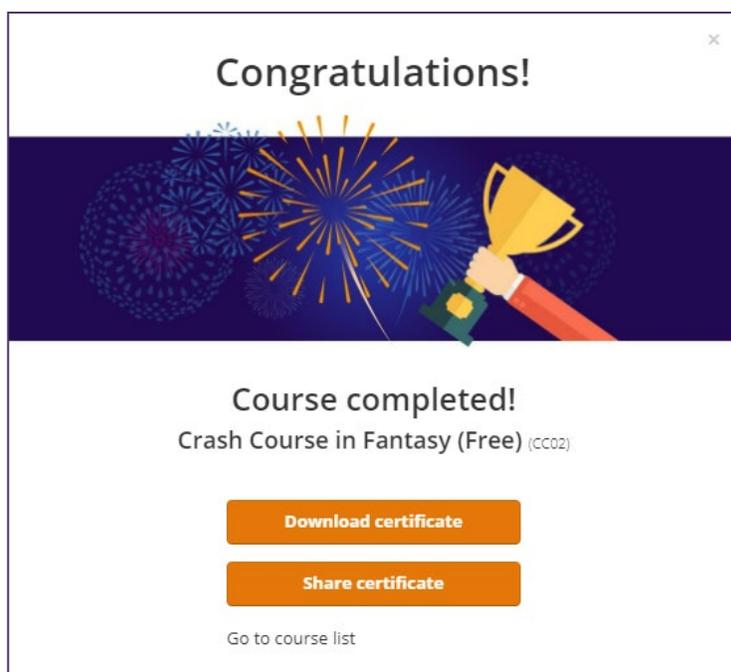

Completing a lesson

Some lessons will have time constraints for completion. The orange tab highlighted below the video will show you how much time remains to complete the video. Once completed, you will be able to move on to the next unit.

Once you have completed all units of a course successfully, a pop-up window will appear indicating you have completed the course.

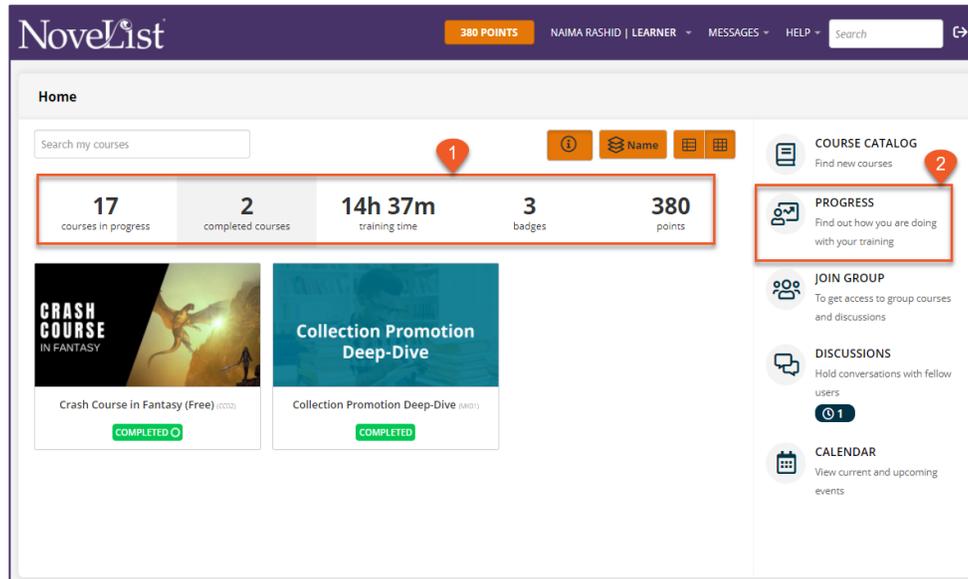

You will be prompted to **download** the certificate and **share** it on LinkedIn. You can easily navigate through units and revisit completed lessons from the top menu.

Viewing your progress

You can keep track of your training from two different areas on the platform.

1. On your dashboard, you will find a bar showing some general stats.
2. From your dashboard, you can click on **Progress** on the right panel to access more detailed reports.

Reports include:

Overview

your training progress at a glance.

Courses

stats about your progress in each course you are enrolled in.

Certifications

all the certifications you have received, and the option to download them.

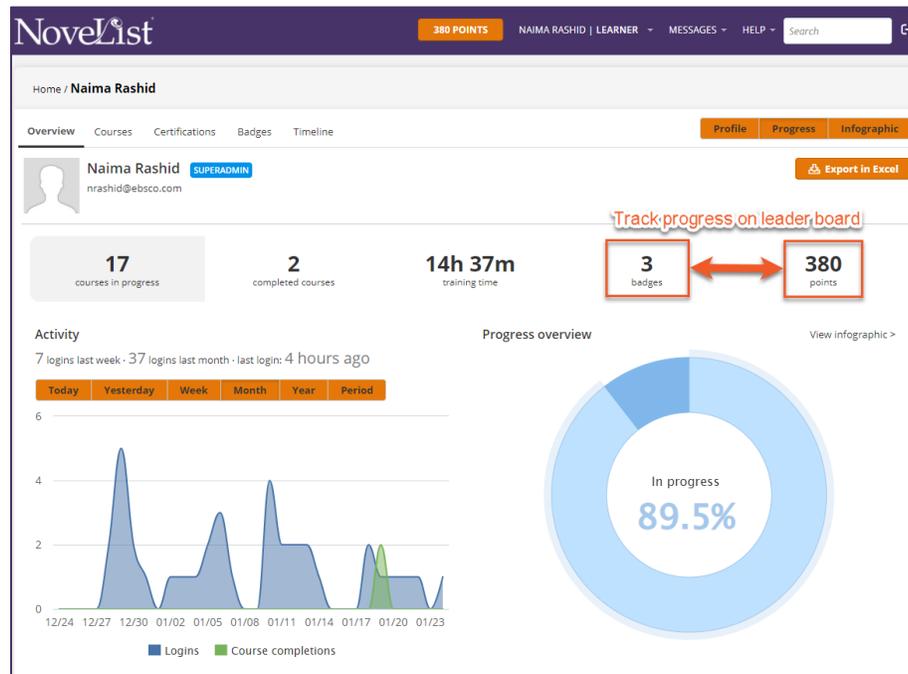

Badges

all the gamification rewards you have earned.

Timeline

a detailed log of all the actions related to your profile.

You can click on the ‘badges’ or ‘points’ tabs to view your position on the leaderboard. It will show your training progress compared to other learners on the platform.

Communicating with other learners

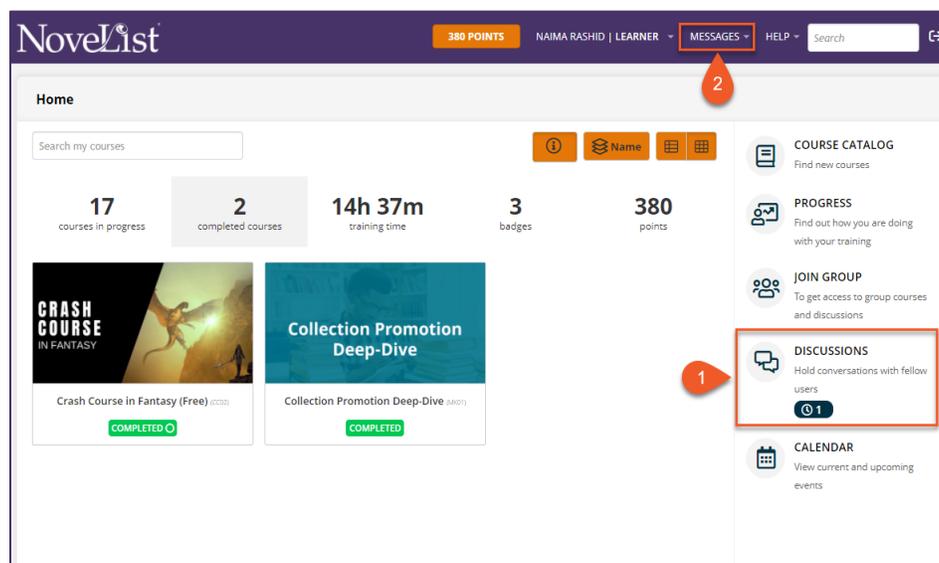

There are many ways you can communicate with your fellow learners and instructors. You will have the opportunity to exchange feedback on assignments and discuss ideas in your course discussion forums and messages as you work together to master new concepts and best practices.

1. Discussions:

Discussion forums are accessed through the right-hand menu on your course home page. This feature is a forum-like tool where you can connect with other learners or instructors by posting comments. You can also like and comment on the posts of others.

2. Messages:

You can send direct (and private) messages to other learners, as well as your instructors or administrators.

Frequently Asked Questions

How do I reset my password?

Sign in through the Learn with NoveList homepage and click **Forgot your password**.

On the **Reset password** page, enter your username or email and click **Send**.

Where do I access files that have been shared with me?

There are two places to look for files shared with you:

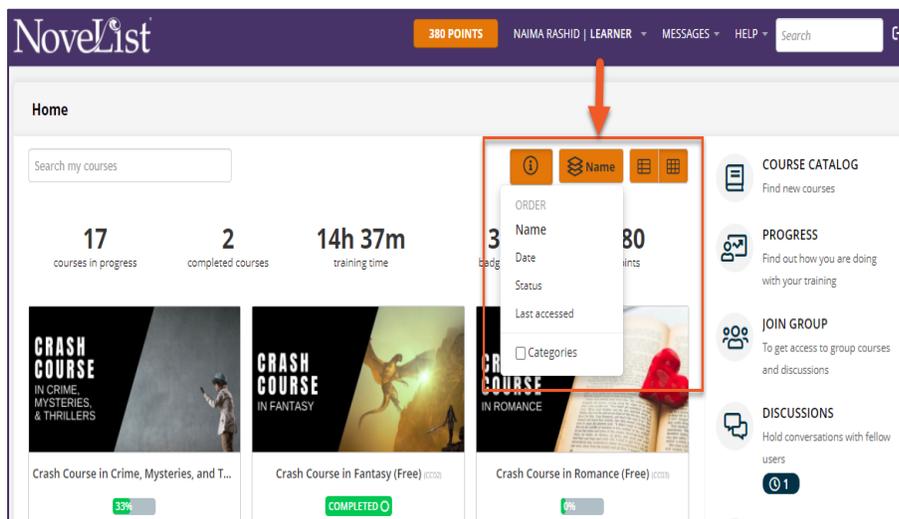

- From the course you are viewing: Click on **Files** at the top right to access files shared.
- From your user profile: Hover over your name at the top of the page, click **Files**, and view any files shared directly with you.

What happens if my computer shuts down or my connection is lost while I am completing a course?

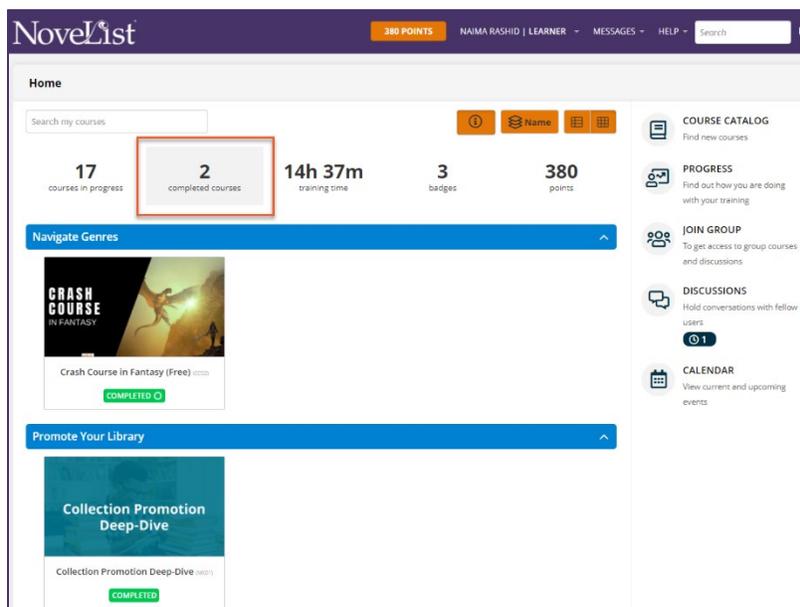

You can abandon and resume a course at any point. Just return to the course, click **Resume**, and you can continue from the last unit you accessed. If you were in the middle of a test, you can resume from the last pending question.

Can I change the order in which my courses are displayed?

Yes! From your dashboard, click on the **Date** icon (above your statistics bar) and select how you prefer to view your courses. From here, you can also choose if the **Category** will be visible or hidden.

You can also display your completed courses separately from courses still in progress. Click on the completed courses tab of the statistics bar to see only those. Click on the completed courses tab again to return to the default view with all courses.
